

Pay Bills: Vendors Inbox

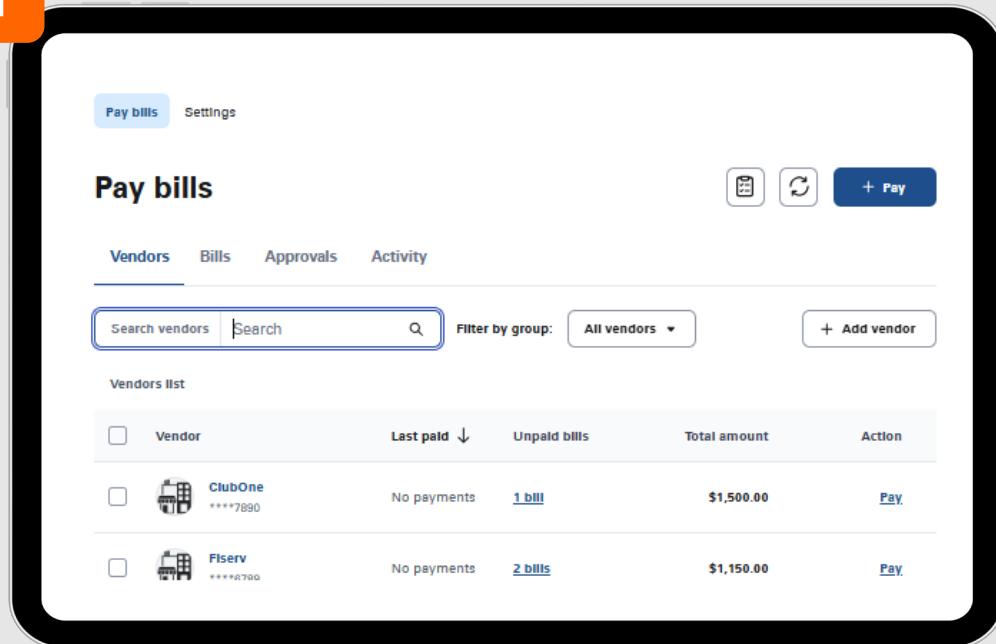

The screenshot shows a tablet displaying the 'Pay bills' application. The top navigation bar includes 'Pay bills', 'Get paid', and 'Settings'. Below the navigation is a header with 'Pay bills' and three icons: a list, a refresh, and a '+ Pay' button. The main menu has tabs for 'Vendors' (which is selected and highlighted with an orange border), 'Bills', 'Approvals', and 'Activity'. Below the menu is a search bar with 'Search vendors' and 'Search' button, a 'Filter by group' dropdown set to 'All vendors', and a '+ Add vendor' button. The main content area is titled 'Vendors list' and displays a table with columns: a checkbox, 'Vendor' (with a placeholder '****4321' and a 'Bon Ton' logo), 'Last paid' (sorted by date), 'Unpaid bills', 'Total amount', and 'Action'. The table shows one row for 'Bon Ton' with a total amount of '\$0.00' and a 'Pay' button.

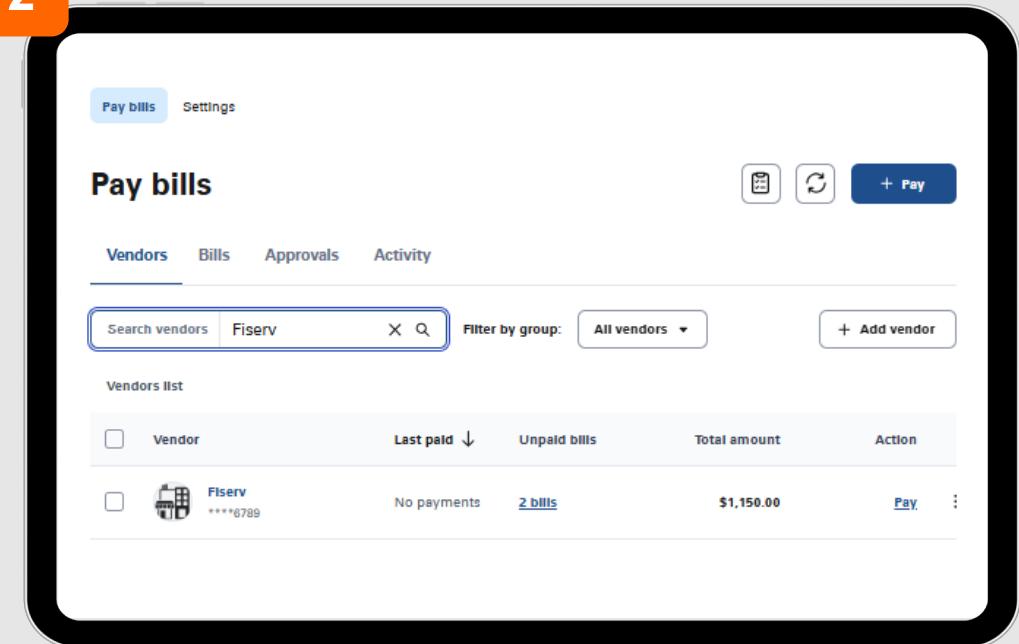

<input type="checkbox"/>	Vendor ****4321 	Last paid ↓ Jan 15, 2025	Unpaid bills No bills	Total amount \$0.00	Action Pay ⋮
<input type="checkbox"/>
